

# HOPE AND RESURRECTION SCHOOL'S DEBATE CLUB

The purpose of holding debates in school is to train students how to present themselves in front of audiences and to help them improve in the practice of language. The debate is usually organized among the students, class by class. This particular motion was between Form Four and Form Three students.

MAIN SPEAKERS AND FLOORSPEAKERS ON BOTH SIDES ARE:  
DEBORAH ATHIEI,  
MAKUER MABOR,  
APOSTLE PETER,  
JOHNSON MACIEC  
AMONG OTHER  
SPEAKERS.

**FOREIGNERS  
MUST LEAVE  
AFRICA  
(PROPOSERS)**

**FOREIGNERS  
SHOULD LIVE  
IN AFRICA  
(OPPOSERS)**

## **PROPOSERS: FOREIGNERS SHOULD LEAVE AFRICA**

1. Foreigners have come to Africa and manufacture weapons that Africans currently use to kill themselves, the rate of death in Africa increased because of the emergence of these weapons, Hence, foreigners must go to live us alone.
2. They have increased the rate of laziness and apathy toward work by introducing machines for making work easier.
3. Foreigners have destroyed African Cultures and Norms by introducing their own cultures like encouraging single sex marriages, which do not exist in African context.
4. The coming of foreigners in Africa have increased sexual immorality by introducing pornographic literature, abortion of unborn babies and excessive use of cosmetics like body bleaching chemical leading to increased rate of sexually transmitted diseases and skin diseases like cancer.

Conclusion by Deborah Athiei Malith

*There is a saying that says, "the hardest way is the easiest way" meaning, depending on foreigners is the hardest way due to when they live with us for long, we shall suffer more Hence, they better go!!!*

## **OPPOSITIONS: FOREIGNERS SHOULD LIVE IN AFRICA**

1. Foreigners especially Americans and Europeans introduced leadership skills in Africa by creating posts such as presidency ministries both national and state, governors for state, commissioners and chiefs for counties, payams and bomas.
2. Discovery of underground natural resources: they have come to aware African about the extraction of natural resources.
3. Foreigners have established boundaries between African countries to stimulate governance for each country. Hence, they promote peace among them.
4. Provision of employment opportunities and educational facilities: foreigners in the like of Americans and Europeans established many companies such as United Nations, World Food program and Hope for Humanity Inc. where all of us belongs have improved our standard of Living through job creation and formal education.
5. These foreigners did introduction of gender balance of which in Africa women are never treated as human beings instead they are regarded as just properties.
6. Provision of Christianity, foreigners came as missionaries to spread the word of God to African who were pagan worshippers.
7. Foreigners have come with discovery of ancient civilization among different people in Africa like the origin of humankind. This was done through American Research Program.
8. Foreigners have improved the mode of transport and communication by inventing quick means of transportation like aircrafts, cars, bicycles among others. Communication devices like mobile phones and computers. Means of sending information like social media such as Facebook, Twitter, WhatsApp, Google and many more.

Conclusion by Johnson Maciec

*Thank you, foreigners, especially Americans for making our lives worth living by contributing to the raising of African continent to let those living in it know more about it!!!*
